Issue No.9

Message from Miss Gibbs

Another week has flown by at Leverton! We are now beginning to look ahead to what is always a very busy and exciting time of year in school. There are lots of Christmas activities and events coming up over the next few weeks, and we are looking forward to sharing these special moments with the children and our families. Please keep an eye on school messages and future newsletters so that you don't miss any important information and dates.

I would also like to draw your attention to a message sent out today regarding children bringing food containing nuts into school. Please take a moment to read this carefully and check the ingredients of any food your child brings in. We have children in school with serious nut allergies, and even a small amount or accidental exposure could be life-threatening. This is something we must all take extremely seriously. Thank you for helping us to keep every child safe.

On Wednesday Leverton Primary held our annual Partnership Art Day. This year we had children visit from 6 different schools to join some of our year 2 children to complete an art project. This year the children learnt about artist, quilter, activist and educator, Faith Ringgold. We read her book, Tar Beach about a little girl who talks about her dreams with beautiful illustrations of her flying over New York monuments. The children then made an illustration of their own dreams and created a 'quilt' border using different fabrics. The children created some incredible art and made new friends too. A big well done to all the children and to the Leverton children for making our visitors feel so welcome.

As always, thank you for your continued support. I hope you all have a lovely weekend!
