

All Leicester Schools are part of a safeguarding initiative, which aims to improve outcomes for children and families affected by domestic violence and abuse.

This scheme provides early reporting to schools of any domestic abuse incidents that might have an impact on a child that attends their school. The approach, known as Operation Encompass is used in a number of other places across the UK and is run in partnership with Leicester City Council and Leicestershire Police.

All public agencies currently share information where there are safeguarding concerns or risk of harm to children and the Police currently share information on all incidents of domestic abuse in Leicester with Leicester City Council.

To further support the welfare of children the School's Designated Safeguarding Lead (Mrs Trudie Colotto) is informed when any domestic abuse incident has been reported to the police and one of our pupils was in the household. It will not give any details about the incident.

Domestic abuse in a household can have a big impact on children, even if they do not see what is happening and information is used to ensure the school is able to provide appropriate support to our pupils. The information will remain **confidential** and only shared on a strictly need-to-know basis, for example with the class teacher. It will not be shared with any pupils.
