Dear Parents and Carers

School Parking

I am writing to you regarding an issue of some parents/carers parking on the roads near our school and blocking the access for local residents.

As you are aware, the roads surrounding Oaklands are narrow and congested, particularly during the busy drop-off and pick-up times. Some of our pupils' families have been parking their vehicles on the roadside, often obstructing the driveways and access points of our neighboring residents. We are receiving repeated complaints from the local community for the inconvenience this is causing.

I kindly request that all parents and carers refrain from parking on the roads of Montgomery Way and Chiltern Way and instead use the parking facilities at the local shops on Cheviot Square. I understand this may require a short walk, but it is the best solution to ensure the safety and accessibility of our school and the surrounding area.

Due to the repeated complaints from local residents, the school has a responsibility to address this issue. I hope that by working together, we can find a resolution that benefits both the school and the local community. Your cooperation in this matter is greatly appreciated.

Yours sincerely

Mr N Oxley
