Come and Look-Nothing to Hide

Welcome back to the start of a short Spring Two term! As usual, the academic year is flying by and there are lots of exciting things happening in school. This week we have welcomed Education consultant, fellow headteacher and current Ofsted inspector, Emma Tayler, to Belvoirdale and she has carried out a statutory **Health Check**. This is a Leicestershire maintained school requirement, and enables us all to discuss our curriculum, teaching, safeguarding and overall effectiveness as a school, as we begin the journey to a full Ofsted inspection in 2027 or 2028. More details of the areas discussed and the outcomes will be available in the coming weeks. We also welcome second year teaching students from Nottingham University who begin their classroom assistant placements with us until Easter. Belvoirdale is always happy to support younger colleagues who are training to become qualified teachers after four years of study. Please check the diary dates and Friends and Family dates to ensure that you don't miss anything! As always, my door is always open should you wish to discuss anything. **rdax@belvoirdale.leics.sch.uk 01530 832595 Mr Dax**

Our new Life Skills Learning this term is **Healthy Me** and this theme will also be the focus of assemblies. At least one lesson of Life Skills will incorporate our **Everyone's Welcome** agenda.

If you want to know what your child is learning and how it fits into the wider curriculum at Belvoirdale, you will find their termly topic overviews on the school website under the section called CURRICULUM

Goodbye
Good Luck
Thank You

The children and staff say goodbye and good luck to Mr Mark Bennett tomorrow as he leaves to pursue other things. Mr. Bennett has championed our school library as well as those pupils with speech and language challenges. His wonderful knowledge of the world and it's cultures and languages will be greatly missed at Belvoirdale and we thank him and wish him the very best in the future.

Amazing Friends & Family

Belvoirdale Friends and Family is made up of parents, friends and teaching staff who want to provide those extra treats and special memories that the school cannot always afford. Over the recent past Friends and Family have provided play-ground equipment, theatre lights, sensory corridor equipment, Forest school canopy as well as beautiful benches for our school garden. Add to this the organising of the Christmas and Summer Fairs as well as school discos and support for summer new starters and leavers. We cannot give as much without their and your generosity. We always need help so please come and get involved and make new friends and memories as you go....we do have a great laugh and it makes my job as headteacher much more meaningful and enjoyable. The latest adventure is **EASTER BINGO**. Please buy you BINGO BOOK of six games from the school office and come and play in the hall from either Monday 23rd or Tuesday 24th March.
