

Executive Pay Statement

The Academy Trust Handbook puts a requirement on all academy trusts to outline the number of employees paid £60,000 per annum or more in their annual accounts, in bandings of £10,000. These accounts must be published on the Trust's website.

The trust must publish on its website in a separate readily accessible form the number of employees who benefits exceeded £100k, in £10k bandings, for the previous year ended 31 August. Benefits for this purpose include salary, employers' pension contributions, other taxable benefits and termination payments. Where the academy trust has entered into an off-payment arrangement with someone who is not an employee, the amount paid by the trust for that person's work for the trust must also be included in the website disclosure where payment exceeds £100k as if they were an employee.
