Year 2 — 96.64%	Year 6 — 94.64%
Year 3 — 96.99%	Whole School — 95.92%

SEABROOK NEWS

Welcome back everyone, I hope you are all well and trust that you and your loved ones enjoyed the festive break. A very big thank you to all parents, family members and friends of the school for their generosity at the end of last term, the gifts and the kind words you shared with staff are always gratefully received and are very much appreciated. It is always lovely to hear the positives that we achieve and celebrate the successes as a community.

As we commence a new year and a new term, I cannot wait to see the children shine again, I know their successes and enthusiasm will definitely light up the school and lift my spirits as we move through the winter months.

January is often a tough month, the challenges of life coupled with the cold and dark days mean it is often a difficult time for us all. At times like these, it is important to remember what a positive community we are and how, together, we can work in partnership to support each other as well as our children. Across the federation, we are very fortunate to have some very experienced staff who are happy to offer support and guidance when you need it. If you need advice for whatever reason please let us know, we may be able to point you in the right direction or just be a good pair of ears!

As we move through the school year we have much planned as always and lots to celebrate. Below is a list of key events for the term so far to give you an overview of what is to come.

DATES FOR YOUR DIARY

Starfish Class - Lyra, Judith, Logan, Finley O, Rose, Jake, Luan, Vishnu, Zach

Rainbow Fish Class - Sino, Louise, George, Robin, Millie, Bridget, Max, Jimmy, Alannah

NATURE QUEST

It has been wonderful to see so many children joining in with our weekly Nature Quests so far this year.

The children have been so engaged making natural art, cloud spotting, learning about squirrel dreys, observing insects and SO much more!

We have very much enjoyed sharing in the wonderful pictures, observations, reflections, photos, poetry and factsheets that the children have produced, well done everyone!

RSPB BIG SCHOOLS' BIRDWATCH

Rainbow Fish Class have been busy joining in with the RSPB Big Schools' Birdwatch, where they have been observing and counting birds and thinking about what we can do to help the birds in our local area to thrive, such as making bird feeders during the cold winter months.

Next weekend the children (and their families) will be invited to join in with the RSPB Big Garden Birdwatch - please keep an eye on Reach More Parents for more information next week.
