A note from Mrs Bennett

Welcome back and a Happy New Year!

I hope you all had a restful and enjoyable festive break.

As we return we are delighted to introduce you to our new look Newsletter, we hope this along with our Reach More Parents App will help with our communication and ensure you are kept up to date with the wonderful things we have going on at Sherdley Primary School.

Thank you all for your patience and understanding this week whilst we battled with snow and ice. It was so lovely to see everyone return after the Christmas break. The children look great in their uniforms and PE kits. We have plenty of spare uniforms and PE kits in school, as children grow if you need some, please reach out to your class team.

Next week is Parents Evening. We are trialling a new method with a 2:30 start. Please book an appointment via the app. Children will not be able to leave early, please keep this in mind when booking appointments.

The week of 20th January will be our whole school Aspirations and Careers week, and we are very excited to welcome a large number of visitors to support us. Children from Pre-school to Year 6 will hear a wide range of jobs and career options, for them to consider as they grow up. Sadly, we were unable to get any Youtubers but I feel they are experts in that already!

Fundraising

Our Goal
£50,000

As a school community we are working hard to fundraise to improve our KS1 playground area.

With quotes at over £50,000 this is a huge challenge, but one we are striving to achieve as we know how valuable this outside area is to our children.

If you are part of, or know of any local businesses who may be able to help towards our fundraising we'd love to hear from you!
