English/Phonics

English

In English we are expecting an exciting letter from Beegu (our space alien friend). We will write a letter back to her telling her about ourselves.

Phonics sounds for this week:

e-e (even) **ew** (chew)
aw (claw) **ie** (shield)

Maths

In Maths this week we are moving on to subtraction by finding a part. Have a look at these videos before our lessons next week.

Don't forget to practise addition and subtraction facts within 10 on the White Rose 1-minute Maths App!

Topic

Science:

We are moving on to learn about the materials our toys are made from and their different physical properties.

Children will be sorting and comparing objects made from metal, fabric, plastic, wood, glass and paper.

Homework

Handwriting:

Username: park + Password: hill

Reading at Home:

Please read three times a week and record in your child's diary. Please bring your physical book back on Monday.

Reminders

Please can you send in a pair of wellies to keep in school. They should be named and in a plastic bag that can be hung on a peg. Children will also need a warm waterproof coat to wear outside. If you do need to take home the wellies at the weekend, please make sure they come back to school on a Monday.

Children who do not have wellies and a coat in school will be unable to use our outdoor area activities this half term.

Many thanks, Year 1 team.
