.....

Clue 2: I am a helpful piece of stationery, especially when you have to join things together. Be careful though! I am quite sticky!

.....

Clue 3: I am a very sharp piece of stationery and you have to be very careful when using me. I am very helpful though!

.....

Clue 4: I am a very useful piece of stationery because I hold all your other items! I come in lots of different shapes and sizes, patterns and colours!

.....

Clue 5: I am usually made of plastic (or sometimes wood). I am very important for helping to make work look neat and tidy and very useful when used with a pencil for drawing a straight line.

.....

Clue 6: I am also a very sharp piece of stationary, but only on the inside! I am covered in plastic and needed for when your pencil turns blunt and short.

.....

Clue 7: I am very useful for when colouring pictures in! Make sure you put my lid back on though, so I don't dry up!
