Updates

Loose Parts

We are always looking for unwanted toys or larger loose parts. Donations are gratefully received. The box is still by the office and if you have larger parts e.g. pallets, tyres etc then please get in touch so we can help with delivery!

Lunchtime- Eating

There is plenty of time for all children to eat their lunch, whether it is hot dinners or sandwiches. Some children may be forgetting to eat in their excitement!

Sandpit

With your help and money raised we are busy organising the logistics of building our huge sandpit for all children to enjoy. We hope to have this ready by the stay and play date. Thanks to Mr Lally who is helping. We appreciate it.

Grounds

We are developing our school grounds all the time to help the children play. Our next phase will be developing seated areas around the grounds so if you're handy and would like to help transform pallets, look out for a future date.

Reminders- Clothing

All children need to have a waterproof coat with them at school every day. Children play outside in the rain so it's important that they are protected from the elements!

As the weather gets colder and wetter, children may bring in an all in one rain suit/ puddle suit to protect their clothing. Older children in KS2 (Years 3-6) may wish to have waterproof trousers. We will have a selection of spares available.

We want the children to play on all areas outside so wellies are needed for children to access the field where lots of fun activities are available for them.

We have a few spares but we would like all children to have a pair at school. You're never too old to splash in puddles and walk in Autumn leaves!

Upcoming Events OPAL parents/carers stay and play session.

On Friday 17th October at 1:30pm, we would love to invite you to join us for a taster of what OPAL is all about.

The afternoon starts with a brief talk followed by a chance to see the play in action and to play yourselves!

Our OPAL mentor will be here and all children will be getting extra play that afternoon!

Numbers are limited to 2 adults per child/family. More information will be shared so watch this space...
