

## PSHE in Year 1 & 2 at Bridgelea Primary School

PSHE (Personal, Social, Health and Economic) education is a crucial part of a child's education. It gives children access to information about themselves and the world around them, and encourages them to explore big ideas and conversations. At the heart of this, we encourage respect and understanding of the universal rights of the child, as set out in the UNCRC. We teach PSHE weekly, following the National Curriculum, and it is led by our class teachers. Our curriculum is split into key themes of Health and Wellbeing, Relationships and Living in the Wider World. Every lesson, we will explore a question together - below, you can see an overview of what your child will be studying this year.

Living in the Wider World	Relationships & RSE	Keeping Safe	Mental & Emotional Health	Healthy Lifestyles	Transitions
