

## How did families have fun in the past?

### This week's **MATHS**

Mass, capacity & temperature

Measure in kg <https://vimeo.com/775495818>

Four operations with mass <https://vimeo.com/775496087>

Fractions

Recognise the equivalence of a half and two-quarters

<https://vimeo.com/801892696>

Recognise three-quarters <https://vimeo.com/801892783>

Find three quarters <https://vimeo.com/801892937>

### This week's **ENGLISH**

WE WILL BE REHEARSING OUR PRODUCTION – 'SALLY THE STARFISH'. Please look out for any lines your child might bring home to practise.

Writing: Narrative – own version of Jack and the Beanstalk

Things to note:

**Forest School** Please bring in wellies every Monday and appropriate outerwear according to weather.

### **HOME LEARNING TASK**

Your children will be coming home in the coming weeks with lines for our end of Year Performance and we would appreciate your support with helping them rehearse. **They need to bring their lines to school each day so they have them for our rehearsals. Please also look out for costume letters.**

### **PHOTOGRAPH REQUEST**

Please send your child to school with a photograph of them at the seaside on **Monday 29<sup>th</sup> June**. We will need this in school all week for our history work on comparing how we enjoy the seaside now and how families enjoyed the seaside in the past. Thank you

### This week's topic

**Music** - Sing Up day

**P.E** – Athletics

**D.T** – Making a moving monster mechanism and evaluating

**R.E** - Describe how the story of Rama and Sita informs some elements of Sanatana Dharma practice

**History** – recognise similarities and differences between how families enjoyed the seaside in the past and how we enjoy it today

**Geography** – Explore human and physical features of the seaside

What a hot week we've had for arts week! The children responded well to the changes to our timetable given the hot weather and we look forward to our postponed Sing Up day.

Thank you from the Year 2 Team
