

TRELEWIS PRIMARY SCHOOL

School Standards Grant

0

Financial Year	2026/2027
Allocation	£126,140.00

Objective	Action	Outcomes	Resource	Timescale	SER / SDP
School Standards Salaries - £87,038.00					
★ To provide additional staffing capacity across the school to strengthen the quality of teaching and learning, support pupil progress and attainment, and enable leaders and teachers to effectively identify and respond to pupils' individual learning needs.	★ Employ additional adults within the school, particularly within Infant classes, to support the effective delivery of teaching and learning. Additional staffing will provide greater capacity for targeted support, observations, assessment, intervention and enrichment, while enabling teachers to provide appropriate challenge and support for all learners.	★ Pupils receive more targeted and responsive support within the classroom. ★ Teachers have increased opportunities to observe, assess and identify pupils' individual needs and respond appropriately. ★ Pupils develop greater independence and confidence in their learning. ★ Additional adults support the effective implementation of a foundation approach to teaching and learning. ★ Increased opportunities are provided for pupils to receive appropriate challenge, including pupils working at greater depth. ★ Pupil engagement and participation in learning are strengthened. ★ Improved classroom provision contributes to improved progress and attainment. ★ Staff capacity is increased, enabling teachers and leaders to focus more effectively on teaching, assessment, monitoring and school improvement.	★ Staffing - £87,038.00	On Going	SDP 1 SDP 2

TRELEWIS PRIMARY SCHOOL

School Standards Grant

		★ Effective practice is shared across the school, contributing to greater consistency in teaching and learning.			
School Standards Agency - £5,874.00					
★ To employ a wellbeing coach/mental health practitioner (part time) to support pupils' emotional wellbeing needs.	★ Using our partnership with Place2Be, employ a weekly Mental Health practitioner who can be on site 1 day a week to provide support and intervention for pupils.	★ Children are provided with regular opportunities to engage with emotional/mental health support, which allows for better engagement with learning. ★ Families can access support from school in supporting their child at home ★ Staff can access professional support on strategies to use with children in class.	★ Place 2 Be - Annual fee - £5,874.00	On Going	SDP 2 SDP 3
School Standards Resource - £31,020.00					
★ To enhance the quality of teaching, learning and wider provision through targeted investment in professional development, curriculum leadership, mathematics, outdoor learning and enrichment opportunities, ensuring that resources are aligned with identified school improvement priorities.	★ Use School Standards Resource funding to provide high-quality CPD and cluster professional learning, strengthen curriculum and mathematics leadership, enhance outdoor learning and play environments, and provide additional resources and enrichment opportunities that improve pupils' learning, wellbeing and engagement.	★ Staff develop their knowledge, skills and confidence through high-quality and relevant professional development. ★ Staff are better equipped to respond effectively to pupils' learning, behavioural, emotional and wellbeing needs. ★ Leadership capacity is strengthened, with curriculum and mathematics leaders able to monitor provision, support colleagues and drive improvement. ★ Pupils benefit from improved mathematics provision, with increased opportunities to develop fluency, reasoning, problem-solving and depth of understanding. ★ Outdoor learning and play environments are enhanced, providing pupils with increased opportunities for physical development, exploration, creativity and collaborative learning.	★ Outdoor equipment – £20,000 → Priority 3 ★ Mathematics TLR – £1,500 → Priority 1 ★ Curriculum TLR – £1,500 → Priority 2 ★ CPD – £4,000 → Priority 2 / Priority 1 ★ Cluster INSET – £1,520 → Priority 2 ★ Workshops – £2,500 → Priority 3 / Priority 4 or enrichment	On Going	SDP 2 SDP 3 SDP 4

TRELEWIS PRIMARY SCHOOL

School Standards Grant

		★ Pupils demonstrate increased engagement, independence and enjoyment in learning. ★ Enrichment opportunities broaden pupils' experiences and provide additional opportunities to extend and apply their learning. ★ Collaboration and professional learning across the cluster are strengthened through shared CPD and expertise. ★ Welsh language and culture are further promoted through resources and opportunities that increase the visibility and use of Welsh across school life. ★ Investment in resources and professional learning contributes to improved standards of teaching, learning and pupil outcomes. ★ The impact of expenditure is evaluated through monitoring, pupil voice, staff feedback and assessment information to ensure resources are contributing effectively to school improvement.			
TOTAL SPEND				£123,932.00
