

ARE ALL ANIMALS THE SAME?

This week's **MATHS**

Multiplication and division

Doubling and halving <https://vimeo.com/775775998>

Odd and even numbers <https://vimeo.com/775776207>

10 times table <https://vimeo.com/775776388>

Dividing by 10 <https://vimeo.com/775776479>

This week's **ENGLISH**

Grammar – capital letters for proper nouns

Writing: writing a letter from Tuffy to the vet (Diary of a Killer Cat).

Plan, draft and edit.

This week's **TOPIC**

Science – Continuing to observe the changes of our caterpillars as well as looking at the life cycle of a frog

Geography – Compare a pack list for a trip to a hot place with a list for a cold place

Art – plan and create 3D animal mask sculptures

Digital citizenship - I can describe & explain some rules for keeping personal info private.

PSHE – I can describe the physical differences between girls and boys including using the correct words for body parts

Things to note:

Please look at the Knowledge Organiser to see what key learning we will be doing. Our topic is animals.

Forest school on Mondays – please send in a change of trainers/wellies as children **need to take off their muddy shoes to come back into school!**

Maple will be doing PE on Mondays in addition to Forest School.

We still need to collect cardboard for our art project. Amazon boxes/shoe boxes welcome - please send in ASAP. See image above for reference of the 3D animal masks we are going to be creating. Thank you
