## Fox Class Weekly Newsletter

Friday 18th November 2022

Dear Families,

I hope you are all having a good week.

The children have been rehearsing for their class assembly and are looking forward to seeing as many of you as possible on Monday 21st November at 2:30.

In English we looked at describing words for a story setting. The children used their senses to think of words and phrases to describe a cave setting. Some ideas as to what they might smell included “musky dusk” and “stagnant water”.

In science this week we identified differences and similarities in seeds of various plants.

In maths we have been learning to calculate addition sums and word problems using the written column

method. In Kirfs we continue to practise counting in 50s and 100s.

You will now be aware that the school has just been graded “Good” by Ofsted. We are so proud of this achievement and are keen for it to be shared in the local area. If you have any friends or family with children due to start Reception next September, please let them know we have a prospective parent open evening on Wednesday 30th November at 5pm.

## **Mr Phillips**

We would like to congratulate Mr Phillips on his achievement of securing an athletics bronze medal while representing England M40s at the British vs Irish masters cross country international in Dublin on the 12th November.

## Reminders for next week

Class assembly Monday 21st November at 2.30pm. Children can wear a dark coloured t-shirt over their uniform to dress up for assembly if they want to.

I have a number of jumpers/cardigans in our coat area with no names on them and not hung up on a peg. If your child is missing an item of clothing can you please ask them to check to see if one belongs to them. I will be taking them to lost property at the end of the week.

Can I please remind you to put your child's name on every item of clothing worn at school.

This week I found some pokemon cards in class. Can you please remind your child not to bring toys, cards and any other items not needed in school.

Please come and speak to us if you have any questions or queries.

I look forward to seeing as many of you as possible at parent's evening.

Ms Powell, Mrs Prior and Mr Phillips
