Headteacher's Message

My final message of the Easter term has been inspired by the brilliant new display created by Mrs Porter and Mrs Bavill entitled '*Let your dreams take flight*'.

Primary school years should be a time of boundless dreams and aspirations. I am a big believer in letting children be children – because once childhood is gone, it can never be reclaimed. I often watch our children with envy and wish I had that time again! Lets be honest, being an adult is boring. Bills, health, politics...adult problems. Whether to play tig or football at breaktime after art... Highfield children's problems. I know which I'd chose!

Enjoy your Easter break and thank you for your support.

Kailash teaches us about Holi!

Kailash in Year2 taught the whole school about the Hindi festival of Holi this week; he presented the Powerpoint he had made and shared his experiences. An amazing effort and we are both proud and thankful for his expert guidance!
