| Maths                    | <p>This week we have been learning adding and subtracting without exchanging.</p> <p>We have also started to learn about adding with exchanging.</p>               |
| Arithmetic Test- Tuesday | <p>Our test will focus on adding three digit numbers together.</p>                                                                                                 |
| Spelling Test- Thursday  | <p>This week we have looked at common exception words which sound like they are spelt with a 's' but are actually spelt with a 'c'.</p> <p>Bicycle, circle etc</p> |
| English                  | <p>This week we have looked at using apostrophes for contractions- she will= she'll.</p>                                                                           |

# Year Three Maths Homework- Due on Wednesday

Must-

## Add Two Numbers (No Exchange)

1) Complete the addition calculations.

a)

|   | T | O |
|---|---|---|
|   | 4 | 5 |
| + | 3 | 4 |
|   |   |   |

b)

|   | H | T | O |
|---|---|---|---|
|   | 2 | 6 | 3 |
| + | 4 | 1 | 5 |
|   |   |   |   |

2) Draw base ten on the place value chart to complete the column addition. Then, write the addition calculation.

|   | H                                                                                   | T                                                                                   | O                                                                                   |
|---|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|   |  |  |  |
| + |  |  |  |
|   |                                                                                     |                                                                                     |                                                                                     |

3) Identify the missing digits in this column addition and complete the stem sentences.

|   | H | T | O |
|---|---|---|---|
|   | 3 |   | 5 |
| + |   | 4 |   |
|   | 8 | 8 | 7 |

\_\_\_\_\_ ones + \_\_\_\_\_ ones = \_\_\_\_\_ ones.

\_\_\_\_\_ tens + \_\_\_\_\_ tens = \_\_\_\_\_ tens.

\_\_\_\_\_ hundreds + \_\_\_\_\_ hundreds

= \_\_\_\_\_ hundreds.

\_\_\_\_\_ hundreds, \_\_\_\_\_ tens and \_\_\_\_\_

ones is equal to \_\_\_\_\_ .

## Subtract Two Numbers (No Exchange)

1) Copy and complete the column subtractions.

a)  $97 - 35 =$

| T                                                                                 |                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                   | O                                                                                 |                                                                                   |                                                                                   |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|
|  |  |  |  |  |  |  |  |  |  |

|   |   |   |
|---|---|---|
|   | T | O |
|   | 9 | 7 |
| - | 3 | 5 |
|   |   |   |

b)  $343 - 113 =$

| H                                                                                 | T                                                                                 | O                                                                                 |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|
|  |  |  |
|  |  |  |

|   |   |   |   |
|---|---|---|---|
|   | H | T | O |
|   | 3 | 4 | 3 |
| - | 1 | 1 | 3 |
|   |   |   |   |

2) Work out the missing numbers.

a)

|     |  |
|-----|--|
| 862 |  |
| 451 |  |

b)

3) Use column subtraction to calculate the answers.

a)  $834 - 615 =$

d)  $756 - 245 =$

b)  $743 - 242 =$

e)  $381 - 231 =$

c)  $957 - 642 =$

f)  $894 - 563 =$

Could

## Add Two Numbers (Across a 10)

1) Complete the addition calculations.

a)

|   | T | O |
|---|---|---|
|   | 2 | 5 |
| + | 4 | 6 |
|   |   |   |
|   |   |   |

b)

|   | T | O |
|---|---|---|
|   | 3 | 8 |
| + | 1 | 2 |
|   |   |   |
|   |   |   |

2) Draw base ten on the place value grid to complete the column addition. Then, write the addition calculation.

|   | H                                                                                   | T                                                                                   | O                                                                                   |
|---|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|   |   |   |   |
| + |  |  |  |
|   |                                                                                     |                                                                                     |                                                                                     |
|   |                                                                                     |                                                                                     |                                                                                     |

|  |
|--|
|  |
|--|

3) Identify the missing digits in this column addition and complete the stem sentences.

|   | H | T | O |
|---|---|---|---|
|   | 3 |   | 6 |
| + | 5 | 4 |   |
|   | 8 | 7 | 0 |
|   |   |   |   |

ones + \_\_\_\_\_ ones = \_\_\_\_\_ ones

I can exchange these for \_\_\_\_\_ ten

and \_\_\_\_\_ ones.

## Year Three English Homework- Due on Monday

### Must

1. Finish these statements. The first one has been completed for you.

**I'll** is short for **I will**.

**it's** is short for \_\_\_\_\_

**you'll** is short for \_\_\_\_\_

**wouldn't** is short for \_\_\_\_\_

**he'll** is short for \_\_\_\_\_

**couldn't** is short for \_\_\_\_\_

**she'll** is short for \_\_\_\_\_

**shouldn't** is short for \_\_\_\_\_

**we'll** is short for \_\_\_\_\_

**haven't** is short for \_\_\_\_\_

**they'll** is short for \_\_\_\_\_

**you'd** is short for \_\_\_\_\_

2. Now choose 3 of the words. Write each word into a sentence below.

*Don't forget capital letters and full stops!*

---

---

---

---

---

---

---

---

---

Could

# Mark My Work! Commas in Lists

I have written some sentences below. Can you mark my work and check that I have used commas in lists correctly? Are there any sentences that need commas adding?

Write any incorrect sentences out correctly on the lines below.

1. My favourite colours are pink, purple, blue and orange.

---

2. You need flour eggs sugar and butter to make a cake.

---

3. Gemma owns a, cat a, dog a, parrot and a hamster.

---

4. Zac plays hockey on Mondays Wednesdays, and Saturdays.

---

5. They bought hot dogs, ice cream, jelly and crisps for the party.

---

6. We visited the park the museum, the cinema the gift shop, and the castle.

---

7. My bag holds a pencil case two books my lunch and a water bottle.

---

8. Mum planted, peas potatoes onions carrots, and cabbages.

---

## Arithmetic Test- Tuesday 11<sup>th</sup> November 5

Answering questions adding three digits numbers, some without exchanging and some exchanging the tens.

For example-

|   |   |   |   |
|---|---|---|---|
|   |   |   |   |
|   | 6 | 2 | 9 |
| + | 2 | 2 | 5 |
|   |   |   |   |

|   |   |   |   |
|---|---|---|---|
|   |   |   |   |
|   | 9 | 1 | 9 |
| + | 1 | 9 | 5 |
|   |   |   |   |

|   |   |   |   |
|---|---|---|---|
|   |   |   |   |
|   | 2 | 4 | 5 |
| + | 4 | 6 | 3 |
|   |   |   |   |

|   |   |   |   |
|---|---|---|---|
|   |   |   |   |
|   | 9 | 8 | 5 |
| + | 1 | 8 | 6 |
|   |   |   |   |

---
