

The impact on our learners:

"I feel I now have more confidence within myself and my abilities. I can now direct and lead others more successfully and clearly, meaning that I can engage with many parts of society and can help people in multiple aspects of life."

Emma, Edinburgh

"I achieved what I wanted to achieve as I have grown and become a lot more comfortable with my character and learned to embrace negatives and turn them into strengths of my character with reflection and hard-work."

Harry, Matlock

"It's really important to be able to communicate with everybody. I have developed all my communications skills (verbal and non verbal) and I have learnt to adapt these skills to specific situations; be it with hard of hearing students who struggle to speak and also to young children."

Thomas, Middlesbrough

"The biggest challenge I had to face was my confidence. Despite externally coming across a very sociable and vibrant leader, internally I was always apprehensive. This course has helped me realise that not every session goes perfectly, it's just how you learn to adapt and work with it."

Olivia, Bournemouth

"I believe that I have developed massively as a person and that all the things I wanted to achieve, I achieved and greater. Being able to work alongside others was one of my favourite things, and it made me realise the importance of teamwork."

Maidah, London
