Live Life, Love Learning, Guided by God

St Mary's C of E Primary School

Fox Class Weekly Newsletter Friday 26th May 2023

Dear Families,

Hope you are having a lovely week. If you were able to come to our book look on Wednesday 24th May you would have seen the amazing work the children have done this term. If you were able to come in to school on Wednesday, then please let me know so we can arrange for you to see your child's class work.

Our Learning

Maths

The children continued learning about the time finding start times and end times using an analogue and digital. Also we are learning how to tell the time using a 24 hour clock and how to measure and compare durations of events using a 24 hour clock.

English

We completed our non-fiction text by performing our poetry in class. First we researched some facts about dragonflies. Then each child wrote a fact they had learnt about dragonflies on a strip of coloured paper. Then the children arranged their strips so it read like a poem, together selecting which line should go first, second, third, fourth, fifth and sixth.

Each group contributed a verse to create a class poem about dragonflies.

Dragonflies

Landing in a stream,
Four winged,
Enormous hungry eyes,
Flat stomach,
Free to fly.
Fastest insect in the world

Slim abdominals,
Huge bug eyes!
Enormous hungry body starving to survive,
Four legs, Flexible wings,
Fluttering in the wind.

Flexible body structure,
Big buzzing wings,
3mm slim body,
Dragonflies have four long wings,
Delicate wings flap in the wind.

Free to devour,
Gracefully flying,
Can live in water,
Nothing like a mosquito,
Free to fly up high.

They are so skilled, they eat so accurately,
They can fly,
They can live days underwater,
Dragonflies have sharp jaws,
Dragonflies don't sting.

Art 12/05/23

We continued to look at the work of the sculptor Antony Gormley. The children had fun making clay models of one of his most famous works, The Angel of the North.

Painted Models of the Angel of the North

Reading

As the weather is getting warmer in the afternoons, we decided to get some fresh air and go outside for one of our reading sessions this week. The children loved reading their books in the shade in different places for example, sitting in the tyres, under the trees, on the hill and by the fort.
