School Equity Grant (SEG) - Annual Spending Plan

At Bedlinog Community Primary School, we use the School Equity Grant in order to narrow the gap in both attainment and achievement for those groups who are considered to be disadvantaged. We are aware that many of the strategies and approaches that we are able to implement to support this group of learners, will also benefit the wider school community. We fund a number of approaches aimed at developing self-esteem, practical skills and emotional resilience, as well as academic knowledge and skills (literacy and numeracy). We track progress on a pupil-by-pupil basis and ensure that high quality provision is in place day by day. Other interventions are targeted and specific and aimed at removing barriers to learning and enjoyment that social context and poverty can lead to.

Total SEG Funding:	£19,516.00
<i>PDG</i>	£19,516.00
