

**Learning Objective:** We are learning about smartphones and how they meet individual users needs

## Features of a Mobile phone

Put the features of a mobile phone in order of which matter to you the most. **In the Green area put the features you look for in smartphone. In the yellow area put the features you might not use very often** and **in the red area put the features that you could live without.**

Make Phone Calls	Send Messages (Text)	Internet Access
Install Apps	Games	Play Music/Video
Camera	Bluetooth	Send Emails

### Extension Task

Can you think of any other features that a smart phone might have?

Choose one feature and explain **how** and **when** you use it.

## Smart Phone Features for Specific Users

Teenager	Business Person	Elderly Person

## The Impact of Superman's Smart Phone

- 1) Superman relied on his smart phone to get him through the day. If he didn't have a smartphone what other gadgets would he have needed?

- 2) What are the advantages and disadvantages of using a smartphone over individual gadgets (i.e. an alarm clock, a diary, a computer etc)?

- 3) Was the impact of smartphone positive or negative for Superman? Explain your answer.
