HOW DO I REVISE?

I DONT KNOW!

GOOD THINGS COME TO THOSE WHO

PERSEVERE

WHAT I DO KNOW

66% of material forgotten after 7 days

88%
of material
forgotten
after 6

10%
retention
from

So we are back to.... How do I revise?

Be Organised

where

Sit at a desk: somewhere designed for study what

Make tasks specific and realistic

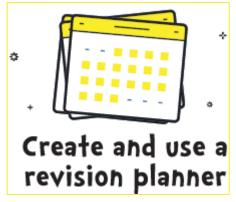

how

Like > less favoured > like when

Alert: times of the day

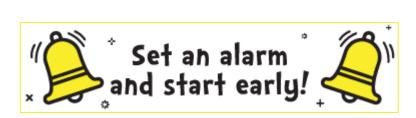

why

That bit is obvious!

All teachers will use the year 10 grades and assessments to plan their upcoming lessons, targeting weak areas identified.

Identify students who are not yet meeting their target grade in Science, English or Maths.

Work together in a new form on these subjects Monday to Wednesday during form time.

Students remaining below grade 3 following mock exams will be invited to attend further intervention sessions. These will take place before school, dinner time or after school.

We have a group of mentors on standby to meet with students a large distance away from target grades. Targets will be set, parents will be informed.

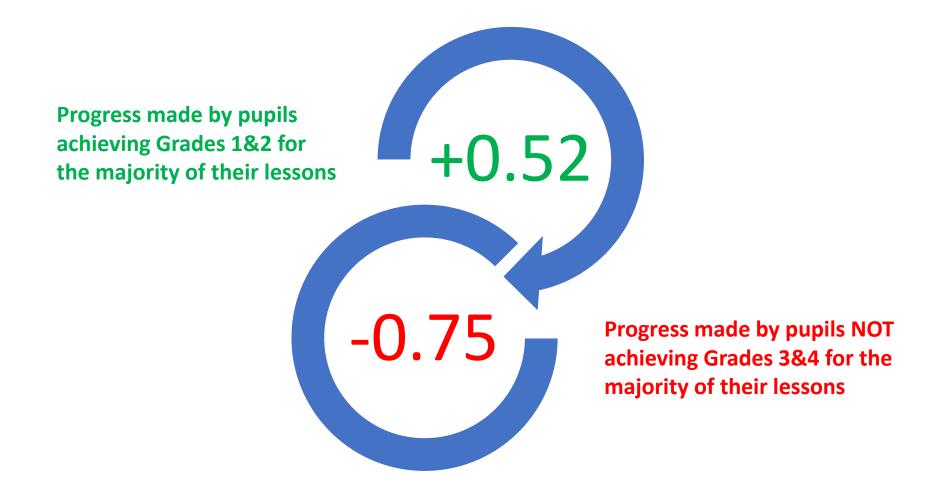

- 1. Get a good night sleep at the right times.
