### *This Week in school*

---

Dear Parents and carers,

Despite it being a short final week at Wynstream, it has also been action-packed.

Huge Congratulations to one of our Year 5/6 Football Team! 🏆

Mr Fricker reports:

“On Monday night the squad showed real grit and determination, battling through two tricky fixtures in our group and coming away with two fantastic wins. Their hard work keeps us sitting proudly at the top of the league with an incredible record so far — 8 games played, 8 wins.

#### 🏆 Results

- 2–1 vs Stoke Hill
- 5–2 vs Clyst St Mary

#### 🔥 Goal scorers

- Tymon – 4
- Noah – 1
- Harrison – 1
- Tommie – 1

Well played everyone, you represented us extremely proudly.”

On Tuesday morning our PTFA held a meeting but unfortunately no-one was available to attend. Being resilient, our PTFA were then available again in the afternoon from 2:45pm for any parents who were able to drop in.

Thanks to those who were able to attend and to Leah Whale for rearranging!

It was an excellent opportunity to meet other parents, connect with the PTFA, and get involved in the school community. People came along to find out more about what our wonderful school PTFA offers, events we have planned, and how they could help us ensure we provide our children with amazing experiences whilst raising funds for our amazing school! Or to bring us any ideas for future events.

### 🌻 Green Team Update 🌱

Our Green Team made the most of the recent sunshine by getting outdoors and planting a sunflower seed each. There is great excitement as we begin our own in-team competition to see whose sunflower will grow the tallest by the end of the school year! They brought their plants home today so keep an eye out for them grown-ups!

Alongside their planting, the team have also been busy sharing ideas and making plans for the future of our school garden. They have been discussing the kinds of plants, features, and wildlife-friendly areas they would love to create.

It's wonderful to see such enthusiasm, teamwork, and care for our environment—well done Green Team! 🌱

On Wednesday and Thursday our Year 5 and 6 children travelled to Budleigh Beach as part of their Geography learning. Thanks to all those who were able to volunteer their time to drive.

Finally on Thursday afternoon, we held our Governors' assembly, during which we gave out the progress awards, from Reception to Year 6. There were also five Governor's Awards for Aspiration, Integrity, Curiosity, Resilience and Responsibility. This is always a special occasion as parents and carers are invited; many thanks to those who were able to attend.

Congratulations to all those who won awards this term.

Lastly, a huge congratulations to all children who took part in the PTFA Easter Egg Colouring Competition. We were so impressed by the creativity, effort and imagination shown in all of the entries. A special well done to the winners, who proudly brought home a delicious Easter egg as their prize! Thank you to everyone who participated and helped make the competition such a colourful and joyful celebration — you should all be very proud of your hard work.
