

Learning Map for Year 1 : Autumn 1 2026

Please encourage your child to read each day

Why do Christians call God creator?
Most Christians believe God created the world and that the Bible tells about God's plan. Explore how Christians try to emulate God's giving attitude throughout life and at special times such as harvest.

Writing labels and captions.
Looking at features of a simple sentence, capital letters, finger spaces and full stops. Using these in our writing.

Writing simple instructions.
Drawing storyboards and using these to recall and retell a simple story.

Sorting, counting and ordering objects and numbers. Counting forwards and backwards up to 10. Learning number bonds to 10 and fact families for numbers up to 10. How to use a part whole model to work out addition and subtraction equations.

RE

English

Maths

Geography

Year 1

Computing

PE

What is it like here?
Talking about where we live, what city we live in and what country we are in. Plotting and following a basic map. Finding places on a map. Recognising changes over time.

Moving a robot
Children will learn what algorithms are, and then create their own for Beebots. This will involve navigating their way around obstacles and reaching treasure.

PSHE

Move to music following a beat. Linking movement with gestures. Performing in front of others.

Making friends: playing and learning together
Identify what is needed to get along with others. d demonstrate good listening skills and describe different ways to learn and play

DT

Practise a variety of skills including agility, balance and co-ordination, and practise a variety of ways of moving.

Science

Music

The Human Body
Identify different parts of the human body and skeleton. Identify the 5 main senses of the human body and use them to investigate.

Children develop their understanding of pulse by exploring how symbols can be used to represent rhythms and how pulse can be used to create a steady beat within music and movement.

Cooking: Creating a Smoothie
Selecting fruit and vegetables and preparing food by cutting and juicing to create a smoothie
