

Term	Spring 1	Date	6 th January 2025
------	----------	------	------------------------------

Information

-  Happy New Year! We all loved greeting your wonderful children this morning. I feel the most blessed headteacher alive with the children that attend Kings Road.
-  Thank you to the choir, Mr Bartram and Mrs Kaemena for their wonderful performances during the final week of term. They performed to the great and good at Trafford Town Hall (and went down a storm) and then to the residents of Cosgrove Hall – very touching moments.
-  Please don't message me on Class Dojo. It is impossible for me to monitor well over a thousand mailboxes.
-  We were all deeply saddened by the passing of our much-loved rabbit, George. He brought much happiness and warmth to our school. Thank you to Miss Hodges for showing us all how to care for animals. If any of your children have been affected by this loss and you feel that they need support, please let your class teacher know.
-  The deadline for this round of Mr Morgan's Award Scheme is 10th January. This is a very important strategy for helping to teach the children the values of commitment, creativity, interest in learning and perseverance – I urge every child to attempt this exciting approach to home-learning.
-  Hopefully, questionnaires will be available this week; it'd be helpful if you completed them. In addition to anything you would like to make us aware of it's also an opportunity to say what we're doing well. All named questionnaires will be put into a draw for a £20 Tesco voucher.
-  What to look forward to this term

Spotlight					
There are films, TV programs and games that appear to be suitable for children but are not. Recent examples of these include 'Deadpool v Wolverine' and 'Squid Game' on Netflix. The trailers contain humour, costumes that are child friendly and fun characters. Please do not let your children watch (or play) these films, programs or games as they are dangerous. They contain terrible and graphic violence and dreadful language which contain inappropriate references. Once children have been subjected to these images or phrases, they cannot unsee or unhear them; the damage has been done.					
Celebrations
