It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount carried over from 2019/20	£3,580
Total amount allocated for 2020/21	£21,311
How much (if any) do you intend to carry over from this total fund into 2021/22?	£2,205.63
Total amount allocated for 2021/22	£19,894.63
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£15,932.12 spent in 2021/22 £3,962.51 carried over to 2022/23

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	70%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	70%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	75%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2020/21	Total fund allocated:	Date Updated:	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school			Percentage of total allocation: %
Intent	Implementation	Impact	£6987.02
<p>Promote daily, regular physical activity and engage children in led activities to support this</p> <p>To provide opportunities for all children to improve their activity levels before, during and after the school day</p>	<p>Lunch-time sports coaches used to organise and lead activities</p> <p>Signage – menu</p> <p>Playground Leader training – Freddy Fit</p> <p>Lostock Sports Group affiliation fee</p>	<p>£4370</p> <p>£390</p> <p>£120</p> <p>Reduced number of behaviour incidents at playtimes</p> <p>Children more active at breaks and lunches</p> <p>Year 6 cohort playground leader trained by <i>Freddy Fit</i>.</p> <p>Games lead at playtimes and with EYFS buddy system.</p>	<p>2022/2023 – Signage to be implemented with a new playtime and lunchtime arrangement after visit from specialist and feedback given.</p>
	<p>Purchased equipment enabling all children to take part in active lunchtimes</p> <ul style="list-style-type: none"> - Daily challenge - Jenga/Swingball/Connect 4 - Large board games 	<p>£1602.77</p>	<p>More children are engaged in sport during the school day.</p> <p>Continue to promote and offer before and after school provision</p> <p>2022/2023 – Further equipment to be purchased for</p>

Created by:
