Year Group	<u>Reception</u>	Term	<u>Autumn 1</u>
------------	------------------	------	-----------------

At Kings Road we have been asking ourselves serious questions regarding the purpose of homework. We would like activities at home to be enriching and to develop certain values that will help to develop the whole pupil.

We think that the most important attributes towards a successful life are listed above. As such we have designed 3 programmes during each year group. Each child must complete 5 of the activities listed below. In order to achieve the Mr Morgan gold award for this year group the pupil must complete all 45 activities during the year. To achieve silver, 42 activities must be completed and bronze is 39 activities. Wherever possible please show evidence via putting pictures on the class dojo.

Activity	Tick	Activity	Tick	Activity	Tick
I must... Ask an adult to read my school reading book with me for a few minutes everyday.		I must... Practise putting on my own coat at home and hanging it on my peg at school.		I must... Talk to a family member about something I have done at school each day.	
I must... Go on an Autumn walk and talk about what I have seen.		I must... Learn a number rhyme or song and share it with my family or friends.		I'll try to... Taste foods I have never tasted before.	
I'll try to... help my family by tidying my room every weekend.		I'll try to... Bring or draw a picture of my family into school		I'll try to.... find the number of how old I am somewhere in my home.	
I'll try to... Play "Kim's Game" with a family member		I'll try to... use natural materials to make the initial letter of my first name.		I'll try to... listen to "Morning Mood" by Edvard Grieg and talk about how it makes me feel.	
I'll try to... Look at the 'snail' artwork by Henri Matisse and talk about whether I like it or not.		I'll try to.. Make a model of my home using old cardboard boxes.		I'll try to... Create a dance to my favourite song.	

Excellence without compromise
