

Extracurricular Music Opportunities

★ **Weekly Choir after school Club (on a Friday)**
for Years 3-6 with the amazing Mr. Lampard!

★ **Community Performances**

We actively seek opportunities for children to participate in local music events, including annual festive performances at the local sheltered housing association and a community Christmas gathering at the Christian Life Centre on nearby Simms Lane. Our choir has also performed in one-off events at a range of other locations, from St Philip's Cathedral to Touchwood Shopping Centre; from Birmingham Town Hall to Hickory's Smokehouse!

★ **Young Voices**

Since 2014, our school has proudly participated in the Young Voices concerts, allowing our choir to perform as part of one of the world's largest children's choirs. Our pupils consistently demonstrate exceptional enthusiasm, dedication, and commitment to learning the repertoire. This experience not only develops their musical skills but also builds confidence and creates lasting memories.

Peripatetic Music Lessons

We offer a wide range of peripatetic music lessons delivered by specialist teachers. Children have the opportunity to learn a variety of instruments, including guitar, violin, piano, flute, trumpet and percussion. These lessons support pupils in developing not just their musical talents, but also a lifelong love of music.

Year 5 Arts Residential: Ingestre Hall

Every Year 5 child has the opportunity to attend a residential arts experience at Ingestre Hall in Stafford. During this immersive week, children select a specialist art form, such as music. Over two days, the children work intensively on a group project, where they write lyrics, compose music and record their track. The week culminates in a showcase where children present their creations to their peers.

Coppice Winter and Summer Music Concerts

Our Music Concerts are a highlight of the school year, bringing together all our young musicians to perform for an audience. These concerts showcase the breadth of musical talent within the school, featuring both singers and instrumentalists. Pupils at all stages of their musical journey are celebrated, from those who are just beginning to learn an instrument to those who have been developing their skills for several years. These performances provide a valuable opportunity for children to build confidence, take pride in their achievements and share their progress with the wider school community.

Summary

We provide a range of extracurricular musical opportunities that enable all pupils to develop their skills and confidence, and we celebrate their ongoing achievements with our wider school community.
