## P.E. Kits

Please name every item of your child's clothing.

Children are responsible for their own possessions.

Long hair must be tied back for safety.

Earrings are to be removed before attending school on PE days. If the children are unable to take them out independently, they will cover their own ears with micropore tape.

*For health and safety reasons and based on PE association guidance, pupils should not wear jewelry including earrings for PE. We ask that children should not come to school in earrings on PE days.*

*If children do wear earrings on PE days the options are for*

*a) the children to tape their own ears OR*
