

Kings Road Primary School

Reception Class

Welcome to our EYFS, we hope you will find the following information useful. Please share it with your child over the next few months, to help them get a feel for what will happen when they come to Reception each day and the places that they will play in. Please write down any questions that you or your child may have and we can answer those during the transition process in September. We look forward to working with you.

Many thanks

Miss Hodges and The Reception team

Dear Friend,

This book will help you get to know about Reception at Kings Road Primary School. I hope you enjoy looking at it with your family.

You will be in Reception Hodges (RH). Here is me, Miss Hodges. You will see me everyday and I will help you in school. We will learn lots of things together.

Miss Hodges

Here is Miss Barnes. She is lots of fun. She will be in our class and will help you to learn too.

Miss Barnes

So what happens in Reception?

Reception starts from 8.45am and finishes at 3.15pm. This is where you will put your coat when you arrive. You will have your own peg with your picture and name on it.

We have Register time where we say good morning to each other and then we start some Phonics learning time. This picture shows some of the children sitting down in their carpet places. Aren't they sitting smartly? We will talk about the day ahead and also learn about stories and writing.

Then we can get on with doing some independent learning, you can choose whether you stay inside or play outside in our garden. There will be lots of activities in both. Grown-ups will be doing fun activities with you and helping you to learn – have a look over the page at some of the things that we do.

We will help you to learn to read and write independently. We will also learn to count and use numbers.

You will be able to explore all the different areas of our classroom, like the role play and the technology areas.

You can play in the sand/water, play with construction, explore our outdoor area and even go to the cookery room!

After we have been busy learning and exploring, we then tidy up. The grown ups will help you to learn where to put things.

These are our toilets and our taps to wash your hands. It is so important to wash our hands to help us stay healthy.

Here are our rules in school;

We have **kind hands and feet – do not hurt** anyone

We Share our toys

We look after our school things and **tidy up**.

We use **kind words and manners**

We always walk in school

I think you will be brilliant at following these rules. I hope you have enjoyed this book. We will see you soon!

I hope you have found all the information you need, but please do not hesitate to contact school if you require any further information before September.

Please use the space below to make a note of any questions you or your child may have for and we can discuss these in September. We look forward to working with you!

Many thanks

Miss Hodges and Miss Barnes
