

Kings Road Primary School

Nursery

Welcome to our Nursery, we hope you will find the following information useful. Please share it with your child over the next few months, to help them get a feel for what will happen when they come to Nursery each day and the places that they will play in. Please write down any questions that you or your child may have and we can answer those during the transition process in September. We look forward to working with you.

Many thanks

Miss Hodges and The Nursery team

Dear Friend,

This book will help you get to know about Nursery at Kings Road Primary School. I hope you enjoy looking at it with your family.

Here is me, Mrs Anderson. I will help you in school. We will learn lots of things together.

Mrs Anderson

Here is Mrs Khan. She is very kind. You will see her everyday and she will help you to learn too.

Mrs Khan

So what happens in nursery?

Full Time Nursery starts from 8.30am and finishes at 3.15pm. This is where you will put your coat when you arrive. You will have your own peg with your picture and name on it.

We have Register time. This picture shows some of the children sitting down for registration. Aren't they sitting smartly? We will say "Good Morning" and you can say "Good Morning" or later in the day, "Good Afternoon". We will talk about the day ahead and what will happen.

Then we can get on with doing some really good things, you can choose whether you stay inside or play outside in our garden. There will be lots of activities in both. Grown-ups will be doing fun activities with you and helping you to learn – have a look over the page at some of the things that we do.

We will help you to read books and write your name. We will also learn to count and use numbers.

Play in the outside area.

Play in the sand , play with construction and water.

After we have been busy doing our jobs and playing, we then tidy up. The grown ups will help you to learn where to put things.

These are our toilets and our taps to wash your hands.

Here are our rules in school;

We have **kind hands and feet – do not hurt** anyone

We Share our toys

We look after our school things and **tidy up**.

We use **kind words and manners**

We always walk in school

I think you will be brilliant at following these rules. I hope you have enjoyed this book. We will see you soon!

I hope you have found all the information you need, but please do not hesitate to contact school if you require any further information before September.

Please use the space below to make a note of any questions you or your child may have for and we can discuss these in September. We look forward to working with you!

Many thanks

Miss Abderson and The Nursery team
