

Wigston Academy

Mathematics

GCSE 2024 - 2026

Examination Board

Pearson Edexcel

What will I be studying?

GCSE Mathematics can be split into strands of: Number, Algebra, Geometry, Probability and Statistics and Ratio and Proportion.

How will I be studying?

Students will have 4 lessons per week. Teachers will frequently model learning of new content and how to tackle GCSE style questions and you will be given opportunity to practice independently.

How will I be assessed?

Paper 1 – Non-Calculator – 90 mins

Paper 2 – Calculator – 90 mins

Paper 3 – Calculator – 90 mins

Where Next?

Most colleges will require a grade 4 to study beyond GCSE level in most subjects.

Therefore, this qualification can unlock doors to most professions.

In Maths specifically, this qualification may lead to any of the following:

- A-Level Maths (Available at Wigston College)
- A-Level Further Maths (Available at Wigston College)
- Level 3 Certificate in Core Maths (Available at Wigston College)
