## Fox Class Weekly Newsletter

Friday 17th March 2023

Dear Families,

Hope you are having a lovely week. Thank you for supporting us during science week. The children's scientist outfits were amazing.

Also thank you to all the parents who came into school on Tuesday 14th March for parents evening. It was good to see so many parents this week and talking about the amazing work the children have been learning in year 3.

I look forward to meeting parents who have booked to see me on the 30th March.

### **Red Nose Day**

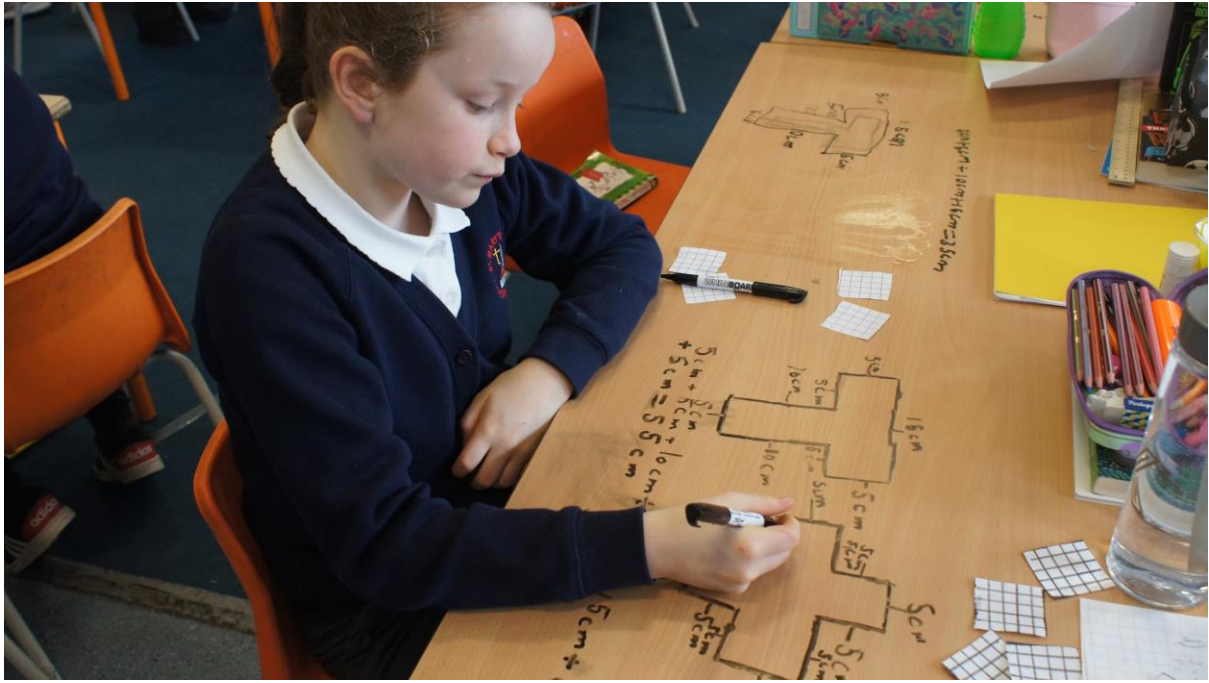

Big thank you to everyone who donated biscuits, icing sugar and sweet treats for our 'best day ever' red nose day theme. We really appreciate your generosity and I

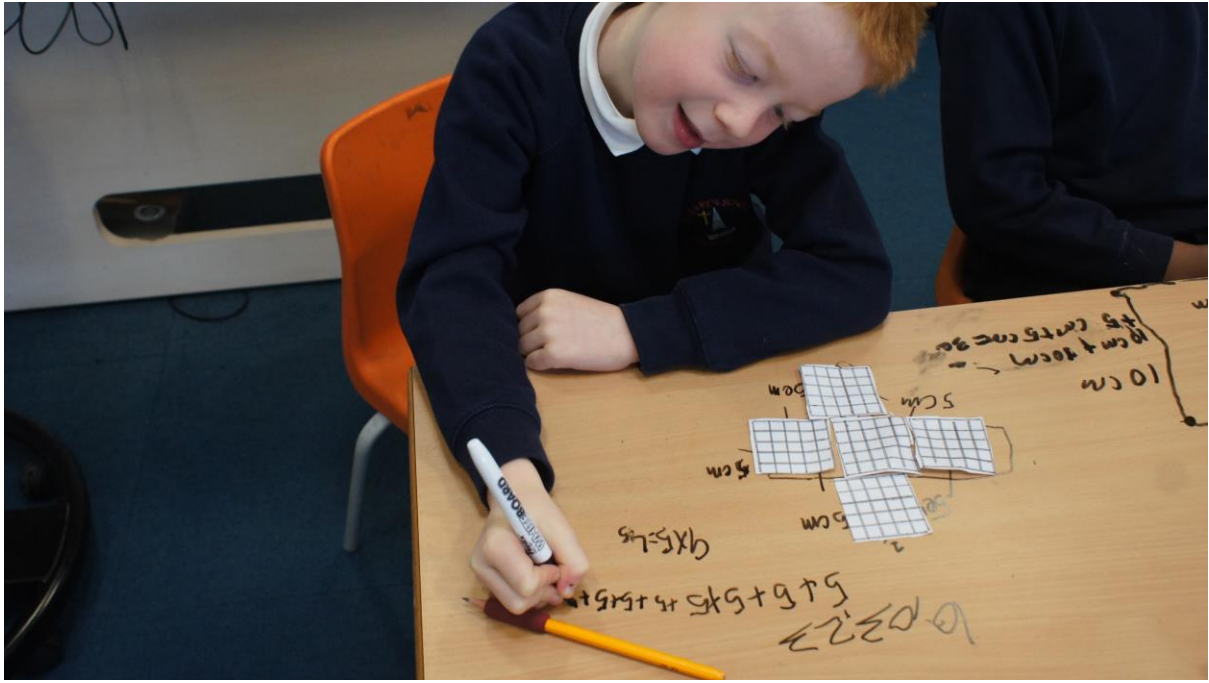

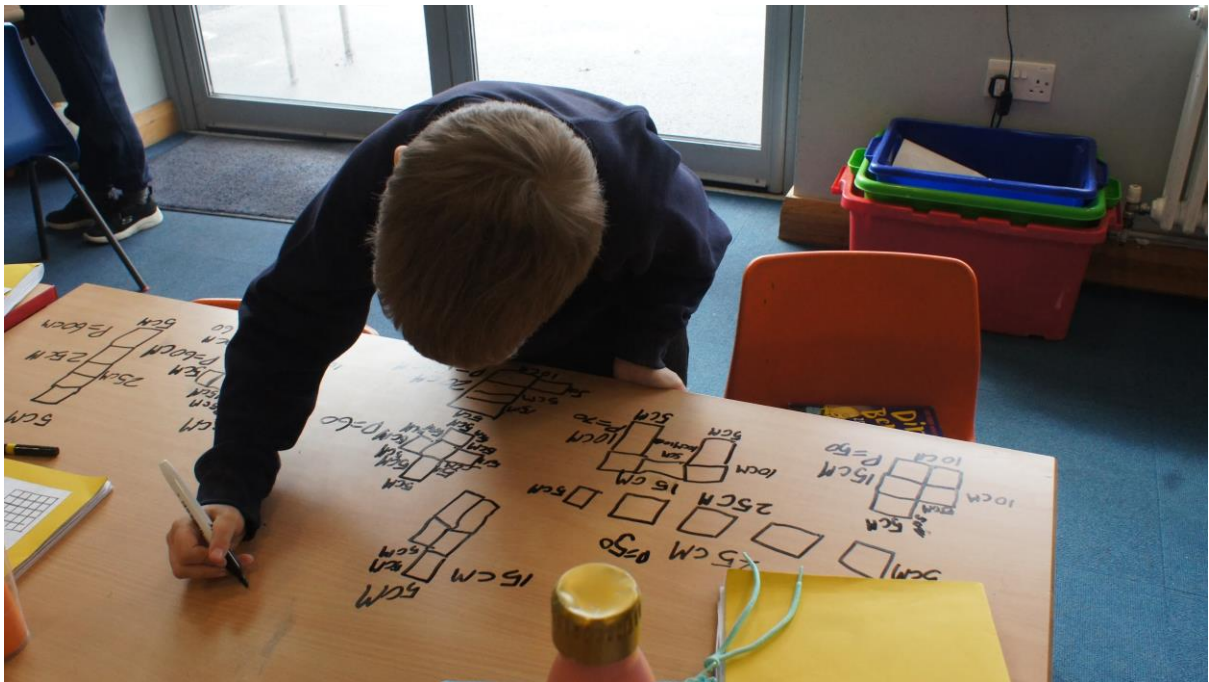

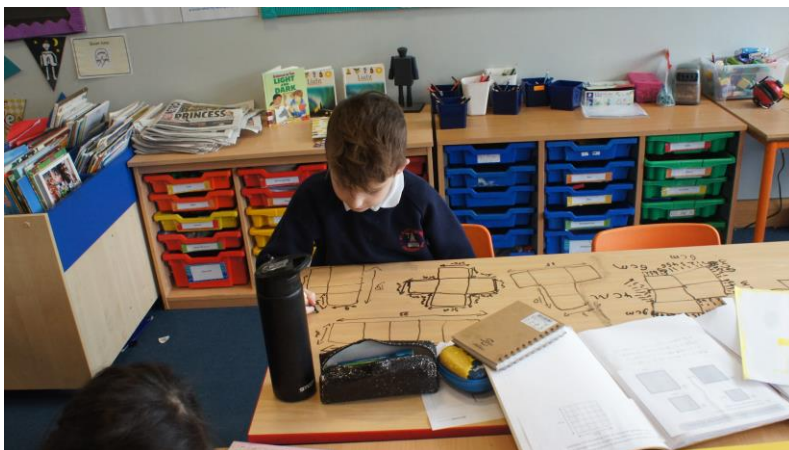

## English

We have continued to write newspaper articles about the “Capture of the Iron Man”. Children using their knowledge of the story to add direct quotes from an eyewitness using speech marks.

## Science

We made paper aeroplanes after learning about air resistance. We also went into the playground to test how far our paper aeroplanes flew before touching the ground.

In our topic Light and Shadows we were learning about which objects were opaque (blocks light) and which were transparent (lets through light). We also found out about how shadows are formed.

## British Museum Visit

Thank you to all parents who have volunteered to support us taking the children to the British Museum next week. The children are really looking forward to travelling on the train and tube and seeing the Stone, Bronze and Iron Age artefacts and other exhibitions at the museum.

## **Reminders**

**PE** - Tuesdays and Thursdays

Swimming - Friday 24th March is the last day for swimming in year 3.

**British Museum Trip** - Wednesday 22nd March - We will be leaving promptly at 9am returning by 3.20pm

Please come and speak to us or email if you have any questions or queries. We can be contacted by email on [fox@stmarys.rbksch.org](mailto:fox@stmarys.rbksch.org)

Have a great week.

Mrs Powell, Mrs Prior & Mrs Fouracre
