Nursery Sessions

Morning Sessions starts at 8.45am–11.45am

Afternoon Session starts at 12.15pm–3.15pm

The children will have access to a range of activities throughout the sessions.

These may include independent activities or group adult led activities.

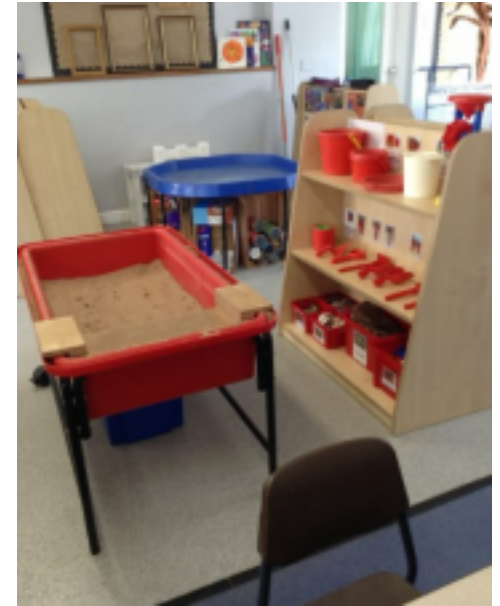

These can take place inside or outside in our own courtyard.

Snack time is a set supervised time in both sessions.

The children select whether they would like a snack and help themselves. They sit at the table and have access to their water bottles or a cup of milk.

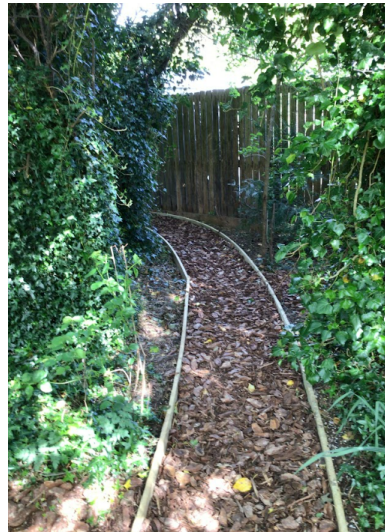

Lunchtime session runs from 11.45am-12.15pm, charge is £5.

The children eat in the hall with the rest of the school. They are always supervised by a member of the nursery team and midday supervisors.
