

Remote Learning Guide

Music

w.c. Monday 11th May 2026

What is the remote learning guide?

Where students are unable to attend school due to, medical, or disciplinary reasons we will continue to provide resources to enable students to continue their education at home – we

call this remote learning. We want to minimise the impact to your child's education and therefore we have a plan to make sure learning can continue when they are unable to attend school.

We will be providing all teaching resources through Microsoft Teams. All students will be automatically placed in a Team for their classes in all subjects. Teachers will place all activities, including lessons and resources as files in these Teams. Pupils can access the Teams through their school email accounts. Teachers will also set homework and send messages to their pupils using MS Teams. All work will be available before the lesson is due to start.

You can see a summary of what is being taught each week through the remote learning guides that are shared on the school website every Friday. The guides are also shared with students on their year group's MS Teams. Your child's teachers will also be available via email to answer any questions or queries your child may have. The email address for the head of each department is also included within this guide if you need to contact them regarding any subject related issue.

Pupils are also regularly set tasks and can access resources using the following platforms:

- **GCSEPod** - <https://www.gcsepod.com/>
- **Bedrock learning** - <https://bedrocklearning.org/>
- **Seneca** - <https://senecalearning.com/en-GB/>
- **UpLearn** - www.uplearn.co.uk
- **Sparx Maths** - <https://sparxmaths.com/>

The following resources provide lessons created by the BBC and Department for Education that may be used with your children to extend their learning at school.

- **Oak National Academy** - <https://www.thenational.academy/>
- **BBC Bitesize Daily Lessons** - <https://www.bbc.co.uk/bitesize/dailylessons>

Studies show that reading for pleasure makes a big difference to children's educational performance. We recognise that reading is vitally important to your child's education. Please make sure your child reads approximately one book a week. Students may access online news resources using The Day - <https://theday.co.uk/> or they may borrow a book from the school library.

Students record the passwords for these online resources in their school planner. If your child is unable to access the digital resources set by their teachers, please contact your child's Year Manager or Year Coordinator or the school directly using this email address: enquiry@holte.bham.sch.uk

Year 7
Head of Department: Miss S Allen s.allen@holte.bham.sch.uk
What is your child learning this term?

Year 7 Curriculum Overview: This Summer term, Year 7 will explore music technology using music software from Charanga called YuStudio. Drawing from the wealth of musical experiences Year 7s have had so far with understanding and exploring the musical elements, singing, creating rhythms, keyboard skills and group performances, students will now pour their creative efforts into create a digital music track. Assessment will take the form of a finished music composition and knowledge quiz at the end of the year.

Class	Teacher	Lessons, including homework deadlines & resources
7-1/Pm	JPT	YuStudio Music Makers Lesson 3 - PPT on Teams. Read through PPT and make notes on the key elements of Music technology, what is a DAW and what is it used for? Log into Charanga/YuStudio and continue with 'the basics' assignment and have a go at experimenting with the different tracks
7-2/Pm	SIA	YuStudio Music Makers Lesson 3 PPT on Teams. Music technology history – read through the PPT and make notes. Log into YuStudio and see if you can continue experimenting with the drum track and melody!
7-3/Pm	JPT	YuStudio Music Makers Lesson 3 - PPT on Teams. Read through PPT and make notes on the key elements of Music technology, what is a DAW and what is it used for? Log into Charanga/YuStudio and continue with 'the basics' assignment and have a go at experimenting with the different tracks
7-4/Pm	CLB	YuStudio Music Makers Lesson 3 PPT on Teams. Music technology history – read through the PPT and make notes. Log into YuStudio and see if you can continue experimenting with the drum track and melody!
7-5/Pm	JPT	YuStudio Music Makers Lesson 3 - PPT on Teams. Read through PPT and make notes on the key elements of Music technology, what is a DAW and what is it used for? Log into Charanga/YuStudio and continue with 'the basics' assignment and have a go at experimenting with the different tracks
7-6/Pm	SIA	YuStudio Music Makers Lesson 3 PPT on Teams. Music technology history – read through the PPT and make notes. Log into YuStudio and see if you can continue experimenting with the drum track and melody!
7-7/Pm	SIA/JPT	YuStudio Music Makers Lesson 3 PPT on Teams. Music technology history – read through the PPT and make notes. Log into YuStudio and see if you can continue experimenting with the drum track and melody!
7-8/Pm	SIA	YuStudio Music Makers Lesson 3 PPT on Teams. Music technology history – read through the PPT and make notes. Log into YuStudio and see if you can continue experimenting with the drum track and melody!
7-N/Pm	SIA/JPT	YuStudio Music Makers Lesson 3 PPT on Teams. Music technology history – read through the PPT and make notes. Log into YuStudio and see if you can continue experimenting with the drum track and melody!

Year 8

Head of Department: Miss S Allen s.allen@holte.bham.sch.uk

What is your child learning this term?

Year 8 Curriculum Overview:

Students will continue with the Hip Hop and Rap topic for a few more weeks in the Summer term. After this topic, students will embark on **Film Music**. Students will learn about different features of film music, the history and significance of film and media music, and they will also create their own character music (leitmotif) using Charanga music software. Assessment will take the form of performances of popular film music and the creation of their own leitmotifs.

Class	Teacher	Lessons, including homework deadlines & resources
8-1/Pm	JPT	Film Music – Lesson 3 – PPT on Teams. Go through the PPT and make notes. Read through the key points and recap on the history of Film Music and what a leitmotif is and how to identify one. Look through examples and makes notes on why they are so memorable. The world-leading, configurable music teaching and learning platform Log into Charanga and follow through the PPT to create your own leitmotif.
8-2/Pm	SIA	Film Music – Lesson 3 – PPT on Teams. Leitmotifs and ostinato – read through and make notes. Film-Music-Worksheet-1-Year-8.pdf Read through and make notes.
8-3/Pm	SIA/CLB	Film Music – Lesson 3 – PPT on Teams. Leitmotifs and ostinato – read through and make notes. Film-Music-Worksheet-1-Year-8.pdf Read through and make notes.
8-4/Pm	JPT	Film Music – Lesson 3 – PPT on Teams. Go through the PPT and make notes. Read through the key points and recap on the history of Film Music and what a leitmotif is and how to identify one. Look through examples and makes notes on why they are so memorable. The world-leading, configurable music teaching and learning platform Log into Charanga and follow through the PPT to create your own leitmotif.
8-5/Pm	SIA	Film Music – Lesson 3 – PPT on Teams. Leitmotifs and ostinato – read through and make notes. Film-Music-Worksheet-1-Year-8.pdf Read through and make notes.
8-6/Pm	JPT	Film Music – Lesson 3 – PPT on Teams. Go through the PPT and make notes. Read through the key points and recap on the history of Film Music and what a leitmotif is and how to identify one. Look through examples and makes notes on why they are so memorable.
