Must:

With assessment week fast approaching, I have set you an arithmetic paper covering the learning you have done this academic year. These are separate files on the year 5 class page. Do you maths group paper – so if you're Miss Scannell's group, do her paper, and if you're Miss McLaughlin's group, do her paper.

Should:

Having spoken to many of you, you have shared that you would like to go over 'fractions'

Please log into maths.co.uk – Your login details are in your diary. When you log in, you will find three papers on 'fractions'
