Dear Parents/Carers

Many parents/carers have expressed an interest in recycling school uniform that their child has grown out of and to buy second hand uniform. We have come across a company called

**Uniformerly** which does just that.

Uniformerly is an online marketplace that allows you to buy, sell or give away second-hand school uniform and school related items to other parents within your child's school.

We hope that by using Uniformerly, you can recycle your children's old school kit, helping to save you money, whilst helping other parents to cut the cost of buying school uniform.

It's completely FREE to use, with no listing fees and no hidden extras.

### **How does it work?**

#### **Buyers:**

1. Browse and search items for sale at your child's school for free.
2. When you have found an item that you like, register for Uniformerly for free and then simply contact the buyer through the website.
3. Pay the seller using PayPal Friends or cash in hand. Many items are even free or available to swap.
4. Arrange the item collection/swap at a time to suit you both.

#### **Sellers:**

1. Register at Uniformerly for FREE.
2. Then simply start selling by adding your items (no listing fee) with photos to the Uniformerly marketplace.
3. Get paid by PayPal Friends or arrange for the buyer to pay cash in hand. Alternatively list your items as free or available to swap.
4. Arrange to hand over/swap the items you have sold with the buyer.
5. Update your listing on the site - once you have sold your item we recommend removing your listing to avoid anyone else enquiring about it.
6. Once you delete your listing, we give you the option to donate a small portion of your profit to your school or PTA. Please consider using this facility, especially if you feel that you have made some money from an item you may have previously thrown away, or are simply just happy to donate to your school, however this is completely optional!

*"Pupils have excellent attitudes to learning and are great ambassadors for their school" (Ofsted, April 2015)*

*"The Christian ethos and values are prominent in the school environment and are lived out in practice by the whole community" (SIAMS, January 2016)*

### **Do I have to register?**

Not at all...

You can look at the items listed within your school without registering by selecting 'Find a School' and then choosing your school from the dropdown menu. However, to list items yourself and make contact with other members you will need to be registered and logged in.

### **Personal Details**

All of your personal details on the website are kept completely private.

However, when you want to make contact with a seller about an item, you send them your name, email address and a short message via the website to allow them to contact you back.

The website to register and browse school uniform is [www.uniformerly.co.uk](http://www.uniformerly.co.uk)

Kind regards

Mrs E Carter  
Executive Headteacher
