

How to sign in to G Suite and Google classroom with your USO

1. Go to www.google.co.uk and click on the blue sign in button.

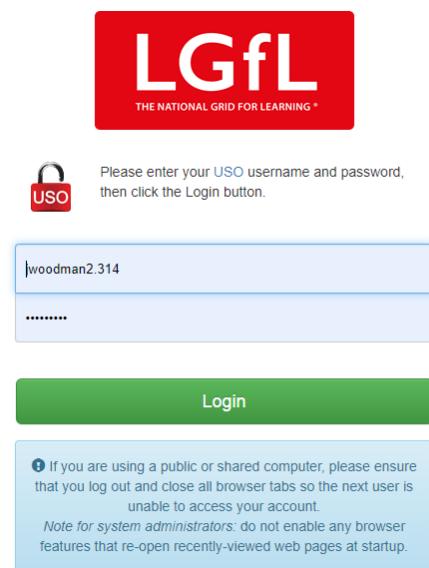

About Store  Google Images 

2. Where it asks for an email address type in your USO.314 followed by @lovelaceprimaryschool.org.uk
(See picture on the right)

Then click 'Next'

3. You will then come to your USO screen. Type in your USO with .314 at the end, then your password (this is the one you use to log into the computer with)

4. Once you are logged in, you will return to the Google Search screen. Go to the top right and click on the waffle.

5. Click on the app that you want.
