OCTOBER  
EDITION

## About Our School

Welcome to our October Newsletter. The children have settled back into school life really well and it has been lovely to see all their learning. It is lovely to see them all playing well with each other and being proud to be a member of the Sharples Family. We are definitely achieving our motto of being **Stronger Together**.

## The Right To Learn

How as a parent do you know what your child is learning?

Each class sends home a termly plan and knowledge organisers - these have all the key information that your child will cover in that term and topic including key vocabulary.

Photographs are added to Weduc which show you what has been happening in class.

You can check what your child is learning on our website:

## OUR ACHIEVEMENT

### The Right To Be Safe

At Sharples we have a strong safeguarding team. Ask your child who the safeguarding leads are. At all times when the children are outside there are numerous staff on duty in different areas to help and listen to the children. When a problem arises we quickly speak with the children, staff and, when needed, parents. We are proud that we work together to ensure your child is safe at school. There is a lot of information on our website:

<https://www.sharples-pri.bolton.sch.uk/safeguarding/>

Sometimes, children do fall out but we talk to the children about how people perceive things different - a fall out does not mean bullying.

Did you know we are part of a Global network of schools? We work with schools in America, Sweden, Saudi, India and all over the UK. We work on projects together such as Climate Change and ensuring your children get a really strong curriculum offer. At the start of the year, we have been awarded School of the Year for our continued work in supporting children with their learning

ON A WEDNESDAY WE PUT

## The Right To Be Respected

At Sharple's we ensure that children are taught all the national curriculum areas. We are very lucky that our school represents different, faiths, religions and families. Over the past two weeks, we have had a couple of children teaching us sign language in assemblies.

Next week we are looking forward to a Paralympic champion coming into school to teach us about diversity. Our children are wonderful ambassadors for the community.

### Sharple's Manners

We always say 'please' and 'thank you.'

We say 'excuse me' before speaking to a grown up.

We open doors for others.

We say 'good morning.'

# UPCOMING EVENTS

## World mental health day

Thursday 10th October is World Mental Health day and we will be saying hello to yellow to help raise awareness for children and young people's mental health.

Wear yellow this World Mental Health Day and stand together for children's mental health.

Children are invited to add a yellow accessory to their school uniform!

Yellow socks, hair accessories, t-shirts, tights- whatever yellow you have at home is all welcome!

No donation is required.

## Parental Conferencing on

### Tuesday 12th November

We are holding our autumn parental conferencing after half term, it is important that you catch up with your child's class teacher and discuss your child's progress.

The meetings will be arranged on an appointment system and the app will go live next week.

Further details to follow,
