## Fox Class Weekly Newsletter

Friday 4th November 2022

Dear Families,

Welcome back, hope you all had a great half term.

We are looking forward to our class assembly on Monday 21st November 2022 at 2:30pm. We are looking forward to seeing as many family members as possible. The children have received their Stone Age lines to learn. Can you please help them to remember their words. We will also be practising as a class over the next couple of weeks and will be making some props too!

Some of the children have asked if they can dress up in a Stone Age costume for the assembly. Homemade costumes will be great. An idea for a costume could be an old black, brown or dark coloured t-shirt that can be worn over their school uniform during assembly only. (Please do not go to the expense of buying a stone age costume).

In English, we are reading the book 'Stone Age Boy' and will be learning to write a non-chronological report over this half term.

In maths, we are learning to subtract 1 across a 10 and subtract 10 across a 100. Our Kirfs for this term is to count in multiples of 50 and 100.

In Science, our topic is 'How Does Your Garden Grow?' Children will be learning to identify the functions of different parts of a flowering plant, explore the requirements of plants for life and growth and investigate the way in which water is transported within a plant.

Our geography topic this term is 'Weather and Climate'.

### **Remembrance Day**

All next week year 6 will be coming round to classes with poppies for Remembrance Day. Any donations will be gratefully accepted for The Royal British Legion.

To mark remembrance day we will be making a poppy wreath for our classroom door.

### **Reminders for next week**

Class assembly Monday 21st November at 2.30pm

Please come and speak to us if you have any questions or queries.

Ms Powell, Mrs Prior and Mr Phillips
