

Supporting reading at home

Accelerated Reader

Quizzing has been opened up for all children to quiz at home.

Please visit the website to access Accelerated Reader quizzes:

<https://ukhosted88.renlearn.co.uk/2240655> (Please ensure you visit this specific website and do not try to access it by searching online for Accelerated Reader, as this will not work!)

Your child's log in details are on their password sheet.

If you have any books at home and you would like to check whether they are on the Accelerated Reader system, whether a quiz is available or which book level it is, then you can search for them on www.arbookfind.co.uk.

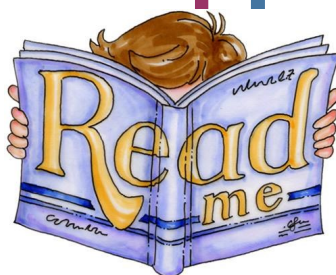

Recommend a book!

We would love for the children to share some of the books they are reading at home to inspire their friends with some different reading suggestions!

All you need to do is take a photo of your child holding up their book (or we can just use a photo of the cover if you would prefer!) and send in a short book review from your child to your class celebrate email address. This can just be a sentence or two about why they loved the book and what was great about it! (If you have read the book online and are therefore unable to send in a photo, please still just send in the review anyway.)

We will then pop the review on our website and social media pages to inspire others!

We can't wait to see what the children have been reading!

MyOn

This week we are launching MyOn reading at school, which enables the children to access hundreds of books to read online at all book levels (Z.P.D range)

MyOn is part of Accelerated Reader, which means the children can quiz on all of the books available.

Your child's log in details are on their password sheet.

Please visit www.myon.co.uk for your child to access the online reading library and start reading and quizzing!

myON

Class Stories

Don't forget that your child can hear stories from the staff in their class on our 'Video Resource Centre' under the 'Children' tab on our website.

Perfect for unwinding and taking time out from the day, or even enjoying as a bedtime story!
