### **Use of your child's personal data in automated decision making and profiling**

We do not currently process any personal data through automated decision making or profiling. If this changes in the future, we will amend any relevant privacy notices in order to explain the processing to you, including your right to object to it.

Whilst the majority of pupil information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the UK General Data Protection Regulation, we will inform you whether you are required to provide certain pupil information to us or if you have a choice in this.

### **What are the legal reasons for us to process your personal information?**

We are required to process personal information in accordance with data protection legislation and only do so when the law allows us to. The lawful reasons we have for processing personal information are as follows:

#### **1) To comply with the law**

We collect and use general purpose pupil information in order to meet certain legal requirements and legal obligations placed upon the school by law. We therefore are required to this process personal information for such purposes even if you have not consented to us doing so.

Details of the type of processing that we must undertake, the personal data that is processed, the legislation which requires us to do so and who we may share this information with is set out in Table 1.

If you would like a copy of or further information regarding the statutory authorities that underpin our legal obligations, you should contact the school in writing.

#### **2) To protect someone's vital interests**

We are able to process personal information when there is an emergency and/or where a person's life is in danger.

Details of the type of processing that we may undertake on this basis and who we may share that information is set out in Table 2.

### **3) With the consent of the individual to whom that information 'belongs'**

Whilst much of the personal information processed is in accordance with a legal requirement, there is some personal information that we can only process when we have your consent to do so. In these circumstances, we will provide you with specific and explicit information regarding the reasons the data is being collected and how the data will be used.

Details of the type of processing that we may undertake on this basis and who we may share that information is set out in Table 3.

### **4) To perform a public task**

It is a day-to-day function of the school to ensure that children receive the education and support they require. Much of this work is not set out directly in any legislation but it is deemed to be necessary in order to ensure that pupils are properly educated and supported

Details of the type of processing that we may undertake on this basis and who we may share that information is set out in Table 4.

### Special category personal information

In order to process 'special category' data, we must be able to demonstrate how the law allows us to do so. In addition to the lawful reasons above, we must also be satisfied that ONE of the following additional lawful reasons applies:

- 1) Explicit consent of the data subject
- 2) Processing relates to personal data which is manifestly made public by the data subject
- 3) Necessary for establishing, exercising or defending legal claims
- 4) Necessary for reasons of substantial public interest
- 5) Necessary for preventive or occupational medicine, or for reasons of public interest in the area of public health
- 6) Necessary for archiving, historical research or statistical purposes in the public interest

For criminal offence data, we will only collect and use it when we have both a lawful basis, as set out above, and a condition for processing as set out in UK data protection law. Conditions include:

- We have obtained your consent to use it in a specific way
- We need to protect an individual's vital interests (i.e. protect your child's life or someone else's life), in situations where you're physically or legally incapable of giving consent
- The data concerned has already been made manifestly public by you
