

Hi everyone,

Here are some more activities if you need them.

As always, remember MyOn - your teachers might have set you projects so have a look for them! You can complete the AR quiz if there is one.

If you want to write a review of your book then that would be super too!

### [Spelling Games](#)

Remember to look at Pobble 365 too - there are over 300 different pictures as inspiration for speaking and listening and reading.

Well done everyone!

The English Team
