

Hello!

The Maths department have put together a selection of tasks for you to complete. Do what you can and don't worry if you get a bit stuck!

Don't forget that you can still work on Mathletics and there is also some online tasks and games on the school website.

Maths Tasks: Bridging

Task 1: Subtraction

Write down the answers in the circle. You might like to cross off the pictures of the objects you are taking away.

Task 2: Height

The Maths department at Oaklands are trying to find out who has the tallest tree in their garden!

Miss Histon says that her tree is the shortest.

Mr Poole says that his tree is the second tallest.

Mr Sadler says that his tree is the tallest.

Mrs Shore says that her tree is shorter than Mr Poole's but taller than Miss Histon's.

Can you match each teacher to their correct tree?

Challenge!

Can you order the people in your house from tallest to shortest?

Task 4: Place value

Can you fill in the missing number lines?

Challenge! Can you count in 2s?

2, 4, 6, _____, _____, _____, _____, _____, _____, _____
