

At Kingsclere CE Primary School we continue to build a strong partnership between staff, parents and carers as we know this is important in helping children to achieve and enjoy their learning. We are determined to create an inclusive culture of learning, where all children will be challenged in their thinking, to achieve to the best of their abilities and develop a lifelong love of learning. As a Voluntary Controlled Church of England School, our aims and ethos are firmly set within the guiding principles of Christian values.

We will empower our children to become respected citizens to enable them to make valuable contributions locally, globally and to contribute to our world's sustainable future.

This can be done most effectively when all staff, parents/carers and children understand their responsibilities and work together towards the same goals, as detailed in our Home School Agreement.

Hand in hand we learn, we grow, we soar.
