

My New School

Hugglescote
Community
Primary
School

Your classroom inside

We have three separate classrooms. All classrooms have a creative area for all our budding artists and designers!

We have construction, small world toys, a writing station, a reading nook, investigation space and much more!

**The classrooms
always have
something new
to explore**

Forest Friday Sessions

We put on our wellies and head to our fantastic forest area every Friday to explore the woodland. We build dens, climb trees, light fires and drink hot chocolate!

Our outside classroom

Outside you will find fun things to do in every space!

We have sand, water, sensory play, our own mud kitchen, balance bikes, obstacle courses, maths areas, writing tables and a creative corner

**We have a
pirate ship in our
outdoor area**

Ahoy me hearties! We can't wait for you to come and join us on a swashbuckling adventure

Captain Freeman, Captain Burton and
Captain Holland say Walk the Plank!

Read Me!

You will make new friends

Hugglescote Community Primary School is the best!

This is the entrance to our EYFS building. You will come through these doors every morning.

All three classrooms have their own cloakrooms. You will come in and hang your coat up on your own peg.

Space themed toilet rooms

Each classroom has their own toilet rooms. You are sure to love our 'Biobot' which helps to dry our hands after washing

**We have lots of space
at Hugglescote
Primary**

We have two large
playing fields

The wider school

We have an adventure playground area, a meadow and a pond area to explore!

Special events and visitors

We visit special places like castles and farms. We also have some special visitors into school to help us with our learning.

Snack time

Hugglescote Primary School is a healthy school. We offer free fruit and milk at break times.

You can bring your own water bottle into school every day. Make sure it has your name written on it so it doesn't get mixed up.

Lunch time

You will enjoy some delicious food at lunchtime

You will spend lunchtime with your friends and our lunchtime supervisor ladies. Each day you will be able to choose between 3 delicious and nutritious options. You can also bring your own packed lunch if you'd prefer.

From left to right Miss Freeman, Mrs. Burton and Miss Holland can't wait to meet you!

Your teachers will always be around to help you.
Smiling and laughing all day long!

Your teachers

There will be fun and laughter
every day
