

Responsibilities of a Parent

For each age group, identify some different responsibilities a parent might have. How do these responsibilities change as a child grows?

| Parental responsibilities |
|---------------------------|---------------------------|---------------------------|---------------------------|---------------------------|---------------------------|
| 0-1 | 2-4 | 5-10 | 11-15 | 15-18 | 18+ |

Extension task: Create a leaflet/poster for new parents about what parenting might look like at different stages in a child's life.
