Dear Parents/ Carers,

What a busy and exciting week we've had at Stoke Fleming!

Dartmouth Book Week

Children from Classes Invincible and Endeavour visited Dartmouth Library this week as part of Dartmouth Book Week.

Class Invincible were lucky enough to meet author Erin, who read her latest book *Bosun Bob and the Cat With No Name*. Afterwards, the children enjoyed colouring and drawing activities inspired by the story – a wonderful way to bring reading to life!

Class Endeavour also had a brilliant experience thanks to Alex and Chiara, who led a fascinating science session for our older pupils. The children were introduced to tardigrades (also known as water bears) and had the opportunity to look at them under microscopes before drawing and writing about their observations. It was a hands-on, inspiring session that really captured their curiosity.

Friends of the School

Today I met with our Friends of the School, who do so much to support our children and staff. Their efforts help to fund valuable resources and experiences that benefit every child in our school. They have some fantastic ideas for fundraising and support this year, and we'd love as many of you as possible to get involved – whether that's helping at events, sharing ideas, or just giving a little time where you can. Every bit of support really does make a difference.

Parking Considerations

A gentle reminder to please be considerate when using our car park. Several parents have reported that paths are being blocked by parked cars, making it difficult – and unsafe – for children to walk into school. It also causes challenges for parents and carers with pushchairs. Please help us keep everyone safe by parking responsibly.

You Said... We Did

We value your feedback and are always working to make our school the best it can be.

- **You said** you wanted more opportunities to see what your child is learning. **We did** – we are continuing to share termly learning overviews for each class so you can see what your child is covering in school.

You said you wanted more in-person opportunities to meet teachers. **We did** – our next in-person parents' evenings will be taking place during the week commencing 18th November.

Thank you, as always, for your support. I hope you all have a fantastic weekend!

Class Challenger

Class Challenger have settled into school beautifully. We are very proud of their achievements in just over two weeks. This week we have been learning to write the letters **i, n, p, g and o**. We have also practised making some simple three letter words using magnetic letters. We have been practising our fine and gross motor skills using our 'Wiggle and Squiggle' program. In Maths we have been practising counting objects. We have enjoyed spending time together as a class getting to know each other, making new friendships, turn taking, interacting and embedding our school values.

Well done Class Challenger

Say So Collective Youth Theatre

Tuesdays 3.05 - 4.30pm

Stoke Fleming Primary School Hall

Hello everyone,

September is suddenly upon us!

Hopefully the children are settling well into their new classes for the year, a little bit taller - a little bit wiser and ready for some drama!

Our weekly youth theatre sessions will start again on Tuesday the 23rd of September from 3.05 - 4.30pm, and run up to the October half term.
(September: 23rd, 30th, October: 7th, 14th, 21st)

Our sessions are lead by me (Lydia Frater). I have 15+ years as a Teacher, and Theatre Practitioner in schools across London and Devon and I specialise in co-creating arts projects with young people.

Each week we kick off by playing fun team-building games. Then we work together to develop characters, dialogue and movement sequences in a range of fun, dynamic and creative ways.

Some of our lovely year 6 children have moved on to their various secondary schools, so we have about 6 extra places available for children in **years 4, 5 and 6 only**.

Last term, the company co-wrote and developed an amazing play together and there will be plenty of parts up for grabs for anyone who is keen to get involved.

To enquire, or to book a space for your child(ren) please get in touch via email or whatsapp by 5pm on Sunday 21st September, or use the booking link below

- **Whatsapp:** 07792188440
- **email:** lydia@saysocollective.co.uk

- Half term pass (5 x weeks) - £50
- Sibling discount half term pass (for 2 children) - £90
- 2x discounted places available - please get in touch to enquire.

I'm really looking forward to our new company members and making some great work with them.

Best wishes,
Lydia
