

Imperial Avenue Infant School

Working Together to Achieve Success

Newsletter— April 2025

Spring term has flown past but it has been full of new learning, consolidating old learning and ensuring your children learn more and remember more.

At the end of this half term your children will be assessed against end of year objectives and expectations so we can then look at what needs to be completed for the summer term, thinking about if we need to implement intervention to support any catch up and how we are going to support your children in meeting their full potential.

Please ask your teacher if you would like to help your child at home.

Keep reading as there is lots more information and keep your eye on Weduc as this is where we share all our information with parents.

School Website

www.imperialavenue.leicester.sch.uk

Our school website has lots of useful information for our parents, carers and children.

Please take a look to see what there is on there.

You will find information about admissions, ParentPay, term dates, school policies, school prospectus, curriculum, school uniform, fundraising etc.

Collection of children

If someone else is collecting your child and you have authorised this, please share with that person your child's collection password which you will have set up when they started at Imperial. They must give this to the class teacher when they collect. We ask that all children who collect are over 13 years old. If you have forgotten your password then please speak to the office.

Fund Raising

Mothers Day My School Printing— £129.97—THANK YOU!

Mothers Day Raffle—£61.00—THANK YOU!

Red Nose day 2025

Thank you for supporting this charity in such difficult times. We have raised £137.93 money for red nose day.
Thank you.

School Nursery places

If you have a child who is 3 years old before August 31st 2025 and you would like them to attend our Nursery provision then please contact the office. We have both 15 and 30 hour spaces

New Waste Regulations

Packed Lunches

You will remember from our previous communication that children who bring packed lunches to school will need to take any leftover food, packaging, and other waste items home with them at the end of the school day. **We are starting this from Monday 31st March 2025.**

We understand that this may require some adjustments, but we believe it is an important step toward reducing our environmental impact.

To help with this transition, we kindly ask that you:

- Pack items in reusable containers where possible to minimize single-use packaging
- Ensure your child has a way to bring home any waste or leftovers, such as a small reusable bag or a container for disposal

We appreciate your support and understanding as we work together to adapt to these new regulations. If you have any questions or concerns, please feel free to reach out to us.
