

School Vision

At Micklands Primary School, our pupils, families, staff and governors share one vision: to be even better tomorrow than we are today.

We believe that an enjoyment of learning and a desire for knowledge and expertise are the foundation of education. Around the school, there are places of interest, challenge, wonder and reflection; all of which create a stimulating environment to inspire and enthuse.

In a culture of support, we celebrate diversity and help children to develop as individuals. Our teachers' consistently high expectations empower everyone to reach their full potential because we truly believe that every child can succeed. All achievements are celebrated to create a sense of pride and self-worth and in turn, we expect everyone to show the same care and consideration that is shown to them.

We want children to leave Micklands as happy, well-rounded individuals who feel confident about the future and look forward to the opportunities and challenges it will bring.

All of these values are embraced in our school motto:

“Taking pride, aiming high”
